/WHO WE ARE

CARE (Campus, Advocacy, Resources & Education) offers free and confidential services for UC Santa Cruz students, staff and faculty impacted by sexual assault, dating/domestic violence, and stalking. We provide guidance and support for survivors, as well as significant others, friends and those who may not identify as survivors, but may be trying to sort out their feelings about an experience. The CARE office welcomes all gender identities, religious affiliations, cultural identities, abilities, and legal or immigration status.
