The balance of offers were made to California community college transfer students and non-resident students.

With a smaller enrollment target than the previous year, UC Santa Cruz increased its admission selectivity

California high schoolers received more than 18,000 offers of admission to UC Santa Cruz*

UC Santa Cruz saw transfer applications increase 31% from last year and 37% from 2016

Number of new undergraduates UC Santa Cruz anticipates welcoming for fall 2018

- 67,000 largest applicant pool in history
- 35,000 students offered admissions for the upcoming year
- 7,072 California community college students offered a spot
- 5,600

Increase over last year’s transfer enrollment for an expected 1,900 new transfer students in the fall

- 50%
- 83%
- 73%

Percentage of the 3,700 expected freshmen who are likely to enroll from California

Nearly three-quarters of admissions offers are made to California residents. Of the enrolled student body, students from other states and countries make up about 10% of the undergraduate class.

- 3.93 average GPA
- 1332 average SAT
- 28 average ACT
